Dr Philip Morphew

BSC.D.C.D.O. GAICD.AIMM

Wellness Chiropractor

Dr Philip Morphew is different. He brings a refreshingly different and holistic approach to wellness. He uses a unique mix of his talents within his clinic. This mix includes; his depth of insight; technical and experiential training; extensive clinical and life experience; intuitive connection and a depth of philosophical wisdom.

His primary aim is to help his clients be the best they can be. This assists his clients to engage fully with life and rediscover their innate health and optimal wellbeing.

Dr Morphew has been highly awarded in his field being awarded the Chiropractic Excellence Award by the Chiropractic Association of Australia and Chiropractor of the Year by the Powerful Practices Group. Philip is a highly sought inspirational speaker in the area of human potential, performance leadership, wellbeing and universal wisdom. He has spoken and inspired over 100,000 plus people across Australia and Internationally – He also provides counsel, guidance and insight to major business leaders around the world.

Dr Morphew has been involved in Chiropractic for over 30 years as a patient – student – practitioner. In 1985 he setup a practice in Camden, NSW; a small semi rural town on the edge of the urban fringe, helping over 15,000+ plus individuals ranging from the newly born to the elderly. Dr Morphew has worked with Mums, Dads, families and their friends; many elite athletes, professional sports people and business leaders from across Australia and Internationally have sought Dr Morphew's' advice and care.

Apart from the traditional University training and internship, Dr Morphew has been on a constant and ever evolving search to bring the very best help to his patients from various aspects of the body, mind and spirit. He has undergone education in Australia, UK, Asia and USA. He has studied with Tibetan monks in Nepal, South American Indians, historical philosophers and a host of the world leaders in human potential and innate wisdom.

Dr Philip Morphew brings the very best of his knowledge, experience and insight to those on their quest for health, wellbeing and inner fulfilment. Those who take the step to seek his care, advice and guidance are definitely richer for the experience.
